

# THE **BIG** IDEA

***Christ is calling you to trust Him  
and be generous.***

**Monday:** *Acts 20:35*

Describe a time when you have personally benefitted from another person's generosity. How did this person's generosity make you feel? As far as you're aware, did they suffer as a result of their generosity toward you?

**Tuesday:** *Psalms 112:5*

Sometimes we go through generous seasons. At what times or in what situations do you feel it is easier for you to be generous? At what times can it be more difficult for you? What about right now—is this an easy or difficult time for you? Pray and ask God to lead you regardless of the season you're in.

**Wednesday:** *Proverbs 11:25*

Generosity comes in many forms. With which resources (time, finances, possessions, your home, etc.) are you currently being generous? With which resources could you be more generous?

**Thursday:** *2 Corinthians 9:13*

Generosity is definitely not the way of the world. What kind of impact do you think it will have on others as they see us become more generous and give beyond what we can afford?

**Friday:** *2 Corinthians 8:3*

You are **kaleo**, or called by Christ to be generous. How will you personally answer Christ's call to be generous beyond what you can afford? Pray and ask God to help you follow through!
